We Will Cook Your Fish!

After enjoying a day of fishing in the Fabulous Florida Keys, bring your bounty to Chef Lupe. He will be happy to prepare your catch. Please understand, your catch must be filleted and de-boned. All fish and lobster must be of legal size and in season.

The cost to prepare your catch is 13.95 per person, for up to one pound of fish or two lobster tails. You may choose between grilled, fried, blackened, or broiled. Chef Lupe offers other preparations, at an additional cost. Your server will be happy to explain these to you.

To accompany your fish, you have a choice of our soup du jour or salad, and your choice of french fries, our homemade potato salad, or cole slaw.

We will not be responsible for illness due to improper handling, packaging or prep work done to the fish before it is brought to our kitchen.

If your neighbor is served before you, it is not because we have forgotten about you. We cook everything to order and some preparations take longer than others.

For the convenience of our international guests and for parties of 5 or more, 18% gratuity will be added.

We accept Visa, Mastercard, and Discover Cards.

Sorry, no personal checks accepted.

We ask our customers to kindly refrain from smoking inside the restaurant. Cigar and pipe smoking is prohibited on the outside deck.
